EMGS

EMGS, Inc. is an approved testing location for the NITC recertification exams. Examinations are available via computer based, or paper-pencil.

An online 2-hour refresher course covering the code changes is available to anyone interested in reviewing the material prior to testing. There is a separate fee for this service. Please contact Jennifer Darden at 770-459-5920 or jdarden@emgsi.com for questions, or to register for an exam and/or online refresher course."
