### EMGS

EMGS, Inc. is an approved testing location for the NITC recertification exams. Examinations are available via computer based, or paper-pencil.

A 4-hour our online upgrade course covering the code changes is available to anyone interested in reviewing the material prior to testing. There is a separate fee for this service. Please contact Jennifer Darden at 770-459-5920 or [jdarden@emgsi.com](mailto:jdarden@emgsi.com) for questions, or to register for an exam and/or online refresher course."
